**Summary of Investigation and Disposition of Complaint:**

On January 04, 2012, Police Officer Lane Schlesinger responded to a noise complaint on Woodland Avenue at approximately 2304 hours. P.O. Schlesinger determined the noise complaint to be unfounded. While investigating the noise complaint, he interviewed an individual who appeared intoxicated and admitted to driving. Despite a language barrier, P.O. Schlesinger confiscated this individual's car keys and left them with security at New Roc City. P.O. Schlesinger did not request a Spanish speaking officer for clarification purposes, did not verify the individual's identity or license status and did not document any of his actions on a police incident report.

By his actions, P.O. Schlesinger violated Chapter 1, section 1.2 of this Department's Rules and regulations.

## To Wit:

On 5 January 2012 at approximately 1700 hours responded to headquarters and advised that his car keys had been taken the previous night on Woodland Avenue and that he was told to come to headquarters on this date to retrieve his keys. He stated that he was told by officers the previous night that he was not allowed to move his vehicle.

Looking in Total, I was able to locate a noise complaint (noise coming from a vehicle) from 4 January 2012 at 65 Woodland Ave at 2304 hours. The disposition for that event was " UPON ARRIVAL R/O CANVASSED THE AREA WITH NEGATIVE RESULTS. COMPLAINT UNFOUNDED." and there was no indication of property having been taken. I was able to

get in contact with PO Schlesinger on 6 January 2012 and he advised that the car keys and ID belonging to \_\_\_\_\_ were at the New Roc Security Precint. Sgt. Conca was able to retrieve the keys from the New Roc Precinct, and the keys were ultimately secured by PO Marion (Event# 1459-12, Property # 29-12). PO Marion had been unable to make contact with \_\_\_\_\_ to return the keys.

On 12 January 2012 Lt. Odell and I interviewed PO Schlesinger who stated that at the time of the noise complaint detail he stated that he did not hear any noise and that he interviewed who was standing in the street, as a potential witness to the noise complaint. He stated that in interviewing him, he observed \_\_\_\_\_ to be slurring his words, had glassy eyes and appeared intoxicated. He stated that due to a language barrier he was unable to determine if in fact \_\_\_\_\_ had been drinking. He did state that \_\_\_\_\_ was able to tell him that he lived on North Avenue, had driven to Woodland Ave and would be driving home later. At no time did PO Schlesinger request a Spanish Speaking Officer to assist with translation. PO Schlesinger stated that \_\_\_\_\_ told him that he was unlicensed and that the car belonged to his cousin. PO Schlesinger at no time did a license check or warrant check. PO Schlesinger stated that he took the car keys because he was concerned about the welfare of \_\_\_\_\_. He further stated that he told \_\_\_\_\_ that the car keys could be picked up at the New Roc Precinct the following day. At no time did PO Schlesinger document the personal welfare, the confiscation of the keys or the interaction with \_\_\_\_\_.

Based on my investigation I believe that PO Schlesinger was in violation of the above mentioned rules and that as a result of his actions should lose a day of his accrued time.

In making this complaint I agree to be available for any Department Trial or Hearing as may come due. I further understand that the making of a false statement in this instrument is punishable as a Class A Misdemeanor pursuant to Section 210.45 of the Penal Law of the State of New York.
